Summary

A Computer Science undergraduate with hands-on experience in Python and Flask, complemented by proven leadership in co-founding a digital platform and scaling it to 350,000+ visitors through content strategy. Passionate about blending technical and strategic skills to build impactful, user-focused products.

Education

Bachelor of Technology in Computer Science and Engineering

Oct 2022 – Jun 2026

Viswajyothi College of Engineering and Technology

CGPA: 8.13

Higher Secondary (Computer Science)

Jul 2020 – Jun 2022

St. Sebastian's HSS

Percentage: 91.16%

Skills

Technical: Python, C, HTML, CSS, JavaScript, SQL, Flask, Git

Tools: VS Code, Notion, MS Office, Google Colab

Soft Skills: Teamwork, Coordination, Time Management

Experience

Co-Founder & Content Head

Aug 2021 – Sep 2023

Halfway Football (Remote)

- Built and led a football media platform, scaled to 350,000+ visitors over two years with strong social media engagement.
- Managed a volunteer team and published exclusive reports to build platform credibility and community engagement.

Projects

VisionMate

GitHub

AI-powered assistive system integrating smart glasses with a React Native app for the visually impaired. Features include object detection, OCR text reading, and guided navigation.

Anson's Drive

Live Demo

Dark-themed responsive website for document hosting with folder navigation, metadata search, and admin panel. Deployed on Netlify with copy-to-clipboard functionality.

FaceCertify

GitHub

Realtime exam verification system using Python, Flask, and OpenCV with SVM-based facial recognition. Automates attendance and prevents impersonation during exams.

Dinero

Live App

Personal finance tracker built using Lovable (no-code) with Supabase integration, OAuth login, and email verification workflows.

Achievements

- Co-organized **DataVoid Trivia 2025**, a national-level TechFest quiz attracting 80+ teams, highest-registered event of Bodhi 2025.
- Scaled **Halfway Football** to 350K+ visitors over two years, building a trusted community-driven sports platform.

Certifications

- **Cloud Computing Workshop** — Edunet Foundation
- **Generative AI Workshop** — 360DigiTMG & ASAP
